CARAVETTE

Wherever you decide to go you can always depend on the Caravette. Based on the popular VW Transporter this high performance and superbly appointed vehicle takes the strain with its lower revving engine and sound insulation. An extremely practical interior allows for a double bed, which still leaves seating for up to four. Maximum seating - all forward facing - is for up to seven. With options that include the Hi-Top fixed roof in place of the elevating roof and the list of standard features listed below make the Caravette one of the best value for money vehicles on the road.

STANDARD FEATURES INCLUDE

- New all solid sided/insulated elevating roof
- Ingenious fold-a-way cooker
- Two way fridge
- Dual position stainless steel sink/drainer with cutlery drawer
- Seat up to 7 people (all facing forward)
- Easy to operate large bed
- Side fitting and free standing table
- Devon patented 7 gal. water carrier on wheels
- Large wardrobe
- Choice of trim colours
- All doors framed in solid wood
